43, Ganapathi Mudali Street, Sholinghur, Ranipet – 631102

## Profile Summary

A highly motivated and detail-oriented Computer Science Engineering student with a passion for software development, UI/UX design, and full-stack web technologies. Completed an impactful internship at Pemchip Infotech's R&D unit, building real-world web applications using Python and modern frontend tools. Strong foundation in OOP and problem-solving. I thrive in collaborative environments and seek opportunities that challenge my technical skills while contributing meaningful value.

## Education

2022 – 2026	<b>P.T. Lee Chengalvaraya Naicker College of Engineering and Technology</b>	BE – Computer Science Engineering
2020 – 2022	<b>Saraswathi Matriculation Higher Secondary School</b>	Higher Secondary Certificate (12th Grade)
2019 – 2020	<b>Saraswathi Matriculation Higher Secondary School</b>	SSLC (10th Grade)

## Internship

**Pemchip Infotech R&D Unit – Python & Web Development Intern (Remote)** *May – July 2025*

- Built full-stack components using Flask (Python), HTML, and JavaScript.
- Developed responsive front-end designs connected to backend APIs.
- Participated in Agile stand-ups and used GitHub for version control.
- Improved automation scripts and debugged features with senior developers.

## Projects

**Personal Portfolio Website (2025)** – Self-Initiated Project

- Designed and deployed a responsive personal portfolio using React.js, HTML, CSS, and JS.
- Includes sections on education, skills, projects, and contact form.

**Task Tracker Web App (2025)** – Academic Project

- Built a task management system with Python Flask backend and SQLite DB.
- Users can register, login, create tasks, and track status updates.

## Skills

<b>Python</b>	Programming, automation, web scripting, OOP, backend logic development.
<b>Web Development</b>	HTML, CSS, JavaScript, React.js, Flask, responsive design.
<b>UI/UX Design</b>	Wireframing in Figma, user-centric design principles, accessibility basics.

## Certifications

- Python for Beginners – Udemy (2024)
- Frontend Web Development Bootcamp – Coursera (2024)
- UI/UX Design Principles – Great Learning (2025)

## Languages

Tamil	Native proficiency
English	Advanced proficiency
